

BHS CLASS OF 67 - 50TH CLASS REUNION

Bisbee Pumas

Fellow Classmates:

WOW!!! Can you believe it has been 50 years since we graduated from high school? This is literally blowing me away. We have all gone through many changes and have had good/bad experiences that have made us who we are. We have scattered in the winds... some have come back. So, just another reason to be all together in September; besides, we want to see all of you at our celebration. Yes, celebration and great accomplishment.

The Reunion Committee has been busy working to organize our 50th class reunion. We need help in making sure the news gets out to all classmates so everyone attends. Please pass on the information to your classmate contacts. We try to update the Facebook page with the info of those contacted and those responding. I've printed up forms that I can mail out to those who don't have an email account or don't do social media. You can contact me at wigygra49@gmail.com or at (520) 227-2994; you can also contact Susan Ridgeway, Fred Bruner, Christine Arias Thibodeau, Vicki Munsey Catero or Mike Nolan.

REMINDERS

Fred will need to have the t-shirt sizes by the first of August to submit the order. I will send out one last form to be completed by everyone registered and has provided me with an email requesting sizes. Those classmates receiving the registration forms via snail mail, will also be sent this information via snail mail.

The cup order will also be going in about mid-August, so if there is anyone that DOES NOT want a cup, please indicate that on the form, as well.

I contacted John Harris to ask if he wanted to be our photographer again, and he graciously declined. So, Jennifer Salcido Ratkovich will be our “picture taker” and has indicated she will put the pictures on a cd.

During the Reunion Committee meetings, the discussion came up regarding a DJ/band, and those attending agreed that we could stream the music (whatever we want) via Pandora instead of contracting a DJ or band.

Discussion was held regarding the homecoming game about having the football players from our class recognized at half time; it was mentioned that **ALL OF THE CLASS OF 67** be on the field, not just the players. Good idea!!!

Also, working on the Golf Tournament for those so inclined to play golf after dedication of brick.

The dinner on Saturday will be “plated” ... sit-down dinner, and main course will consist of Prime Rib or Chicken.

Please... if you know of anyone that does not know about our reunion, please provide us their contact information.

The t-shirts have the emblem that is on this newsletter. The sizes are men's sizes, so women will probably need to order a size smaller.
