

# BHS CLASS OF 67 - 50<sup>TH</sup> CLASS REUNION

Bisbee Pumas

### Fellow Classmates:

We are missing classmate registrations, so we still need help in making sure the news gets out to all classmates-we want everyone at our reunion. Please pass on the information to your classmate contacts. We try to update the Facebook with the info of those contacted and those responding. I've printed up forms that I can mail out to those who don't have an email account or don't do social media. You can send contact information to me at [wiggygra49@gmail.com](mailto:wiggygra49@gmail.com) - post a comment on our Face Book page or call me at (520) 227-2994 with information.

There won't be a brick dedication on Saturday, but Mike Frosco will have the brick available for everyone to view at the VFW on Friday. **The brick will have four (4) lines available for text, so what would you like the brick to say about Class 67?**

Raulie won't be giving a tour of the BHS, but I think we can pretty much do this walk through on our own - we know what it's all about.

Golf tournament is in the works for Saturday and for those not so inclined to play, this is time for visiting with friends and adventure seeking.

## REMINDERS

Fred Bruner will need to have the t-shirt sizes by the first of August to submit the order. So, I have created a new form with the request for shirt sizes and dinner choices. I will send out this form to everyone who has provided me with an email. Classmates that don't have an email will receive the registration forms via snail mail. This form is also included in this newsletter. **YOU CAN ALSO LET ME KNOW BY SENDING ME A MESSAGE OR POSTING ON OUR PAGE.**

The cup order will also be going in about mid-August, so if there is anyone that **DOES NOT** want a cup, please let me know.

Below are the plans for Friday, September 29<sup>th</sup> and Saturday, September 30<sup>th</sup>:

### Friday:

1. ALL of Class Of 67 on the field at the homecoming game at half time.  
Awesome idea!!!
2. Mike Frosco will have the BHS Brick at the gathering at the VFW for viewing.

### Saturday:

3. Class of 67 Golf Tournament – in the a.m.
4. Jennifer Salcido Ratkovich will be our “picture taker” and will be present to take our pictures... has indicated she will put the pictures on a cd.

The dinner on Saturday will be “plated” ... sit-down dinner, and main course consist of Prime Rib or Chicken. Be sure to make your choices.

Please... if you know of anyone that does not know about our reunion, please provide us their contact information.

The t-shirts have the emblem that is on this newsletter. The sizes are men's sizes, so women will probably need to order a size smaller.
